END SEMESTER EXAMINATIONS

Exam Session (Month/Year):

Centre No.:

Session (M/E):

Undertaking by Superintendent/Deputy Superintendent/Invigilator/Supporting Staff Examination

I would refrain myself from performing any type of examination duty (related to the conduct of examination) at my allotted examination centre, on the day and session on which any of my ward, kin or relative appears in the end-semester examinations at that centre. I will also inform well in advance about this, so that necessary replacements can be made. I have also read necessary instructions issued by examination branch for the smooth conduct of examination.
